Profile

Dedicated Computer Engineering student with strong problem-solving skills and a collaborative mindset. Tech-driven and detail-oriented, with a passion for learning and building innovative solutions. Highly organized, with excellent written and verbal communication abilities. Committed to applying technical knowledge to real-world challenges while contributing to the goals of an organization. A dependable team player and adaptive learner who thrives under pressure and maintains a positive attitude.

Education

11th, Dalmia Public School, Sutrapada
MARCH 2023

I completed my education from Grade 1 to 11 at Dalmia Public School. After that, I took a drop in 11th grade to pursue a diploma in Computer Engineering.

Diploma in Computer Engineering, Darshan University, Rajkot
OCTOBER 2023 — PRESENT

I completed my schooling up to Grade 11 at Dalmia Public School. I then opted to pursue a Diploma in Computer Engineering, which I am currently enrolled in at the Darshan University.
